FITTING KITS

***LANDROVER FITTING KITS** include gaskets, sealing rings, 'U' bolts, nuts/bolts where applicable, to allow fitting of the exhaust using original hanger points and supports. Early 86" , 88" & 109" may be supplied with later type components which are compatible.*

Errors and Ommisions Excepted. All parts offered subject to availability.
Please refer to separate Price List for current prices & availability.

'NEXT DAY DELIVERY'
Full system prices include 'Next Day' Deliverty (UK Mainland) and Lifetime Guarantee.

If your vehicle/model is not listed here, please phone with details for a price quote and delivery.

LAND ROVER

STAINLESS STEEL SPORTS EXHAUST SYSTEM

FOR INCREASED POWER, TORQUE, LOOKS, AND DRIVER APPEAL.

90" 3.5/3.9 V8

Full System

All 3.5 Litre V8	**LR1039**
All 3.9 Litre V8	**LR1072**

110" 3.5/3.9 V8

Full System

All 3.5 Litre V8	**LR1040**
All 3.9 Litre V8	**LR1073**

See also LRO feature on centre pages.

Full Exhaust Systems consist of Stainless Steel tubular manifolds, and full single Large Bore system. Also included are fitting instructions, gaskets, clamps, nuts and bolts to assemble system, utilising existing mountings where applicable.

Also available separately, Manifold fitting kit and 'Thermo-Tec' Exhaust Insulating Wrap - See panels.

Note: Sports manifolds can be supplied polished and with provision for heat sensors if required at additional cost.

LAND ROVER
Sports exhaust manifold fitting kit

Manifold Fitting Kit	**EF1001**

Kit includes: 16 studs, nuts, washers. (Used to replace original bolts to enable easier installation of manifolds).
