HawkEye Pro

Version 1

A New diagnostic tool for Land Rover vehicles.

Designed and manufactured exclusively for Bearmach using our in-depth knowledge in Land Rover diagnostics.

The HawkEye Pro diagnostic tool is extremely robust and comes with its own storage case. It is very easy to use and is powered directly from the vehicle.

Fully unlocked for ALL Land Rover vehicles* the unit comes complete with one cable that will suit all the vehicles manufactured after 2001 - No dongles required.

A full instruction manual is available from:
www.bearmach.com/downloads

The added bonus is that this unit can be upgraded to include 29 vehicle manufacturer diagnostics.

- Fully unlocked for all Land Rover Vehicles*
- Functions include, Engine, Body Control, Security, ABS, Air Suspension and many more
- One cable for vehicles after 2001 (no dongles/additional hardware required)
- 14CUX cable available for earlier vehicles (BA 5084)
- Larger capacity memory
- Screen dump facility so you can print out fault for customer
- Easy to update via web or DVD
- Full online instruction manual
- Multilingual quick reference guide**
- Clear, backlit screen, easy to read indoors or outdoors
- Supplied in a robust plastic case
- Comes complete with USB cable
- Can be upgraded to include up to 29 additional vehicle manufacturers.
- Upgrade package available for previously purchased HawkEye***
- Aimed at the professional automotive market.

*Except Evoque - coming soon

** Current languages, English, French, Spanish
