

SU DASHPOT & SU DAMPER OIL

SU Carburettor Oils

Issue: May 2015

PRODUCT CODE	PACK SIZE	CTN / QTY
SUDAMP000150	150 ml	12
SUDASH000150	150 ml	12

Product Description

SU Dashpot & SU Damper Oil are mineral based oils containing anti-corrosion and anti-wear additives for the lubrication of pistons and dampers in SU and Stromberg carburettors.

Application

SU DASHPOT is suitable for use in pre 1940 SU carburettors, which **do not incorporate** a damper in the dashpot assembly. Removing the dashpot cap can readily identify this type of carburettor, as there is no damper rod on the underside.

SU DAMPER is suitable for post 1940 vehicles using SU and Stromberg carburettors **incorporating** a damper in the dashpot assembly. The damper assembly is attached to the cap and can be seen when the cap is removed.

Product Benefits

- Specifically formulated for Dashpots or Dampers
- Convenient size and pouring mechanism (Bottle)

Typical Data

	SU Dashpot	SU Damper
ISO Grade	15	68
Colour	Natural	Green

Information in this sheet is based on recent production. Minor variations to typical properties are expected in normal manufacture and do not affect product performance. An MSDS is available on request
