EXHAUST WARRANTY

GENERAL INFORMATION AND TERMS & CONDITIONS

Thank you for purchasing a quality Stainless Steel exhaust from Rimmer Bros. We are confident that it will provide you with trouble free motoring and will prove to be a very cost effective replacement for your existing system.

STAINLESS STEEL EXHAUST SYSTEM WARRANTY

The exhaust system is guaranteed for the lifetime of the vehicle whilst the vehicle remains in the ownership of the original purchaser of the exhaust.

The guarantee is not transferable and has no surrender value. In the rare event of a claim, we will replace or repair, free of charge, any part of a system that should fail in service due to defective materials or workmanship.

The purchaser undertakes to ensure that all engine and exhaust mountings, brackets, clamps etc are checked for condition at least once a year and replaced if necessary. Our guarantee does not extend to cover failure due to misuse, neglect, internal detonation, incorrect installation or failure of a related component.

The warranty covers the exhaust system only.

Our prices are kept low for DIY installation, so our liability cannot extend to cover garage labour, recovery, hire car or any other consequential or associated costs.

The warranties are an addition to, and do not affect your statutory consumer rights. For any claim we will need reference to the original sales invoice. We will also require any failed parts to be made available for collection to be returned to our manufacturer for repair or replacement (this is at the discretion of the manufacturer).

It should be noted that it is quite normal for discolouration to occur on external surfaces after a few months of use. This can be removed with wire wool if required and will not affect the guarantee.

This guarantee does not cover part systems or modifications made to parts unless previously agreed in writing with a Rimmer Bros representative.

Acceptance of goods is considered to be acceptance of these terms and conditions. This guarantee does not apply to catalysis or to vehicles converted to run on LPG fuel.

It is important that you fill-in and return to us the registration card - this activates the guarantee and confirms that you have read and understood the terms and conditions.
